SIZE CHART

MEN / WOMEN

ASSOS apparel is cut to mirror your body on the bike, whether that’s in our streamlined regularFit or second-skin racingFit. It’s normal to feel bib straps and fabric pull while standing. When you move into the riding position, you’ll feel the garment “click” into place — disappearing the moment you start pedaling. Note that exact sizes will vary depending on your individual body type.

LEG LENGTH

Most ASSOS SHORTS feature a STANDARD LENGTH that falls between mid-thigh and the knee, depending on body type. Shorts in LONG are slightly longer than Standard, while shorts in SHORT are slightly shorter than Standard.
